## Member's Profile

Sri Lanka Apparel Exporters Association is the pioneer association representing the country's apparel exporters and was inaugurated in 1982. The combined export earnings of the members of the Association account for 70% of the value of total apparel export earnings of the country.

Columbia Sportswear, Gap Inc, M & S, Tesco, UK Post and many more constitutes its client base.

The product range of members of SLAEA is vast and distinct. Buyers can choose from a full list of product categories starting from ladies' wear, girls wear, men's wear, children's wear, night wear, under garments, sportswear and much more.

The Association serves on many statutory and non-statutory boards, chambers and associations connected with the industry and has contributed to the formulation and implementation of government policy decisions that favour the continuance of the industry.
